## LA VALEUR DU MADE IN ITALY

Chaque produit Salon Ambience naît d'un processus artisanal italien, fondé sur le savoir-faire, le soin et la passion, qui transforme une idée en mobilier professionnel durable.

### Conception du prototype

Chaque mobilier prend vie à partir d'un projet cible, où design, fonctionnalité et ergonomie s'intègrent parfaitement. Nous proposons ainsi des solutions adaptées aux besoins concrets des coiffeurs et esthéticiennes, sans jamais renoncer au style.

### Menuiserie

C'est ici que le projet prend forme : en menuiserie, la structure porteuse est réalisée avec précision pour garantir solidité, stabilité et durabilité, cœur de chaque mobilier.

### Tapiserie

Confort, matériaux et détails se combinent : les rembourrages et revêtements définissent le caractère et le style, tandis que les tissus sélectionnés et les finitions soignées assurent élégance et confort. Le tout est réalisé à la main par nos artisans.

### Assemblage

Chaque élément est monté avec soin : une étape essentielle où compétence et contrôle garantissent des mobiliers conformes aux standards de Salon Ambience Group, prêts pour un usage professionnel quotidien.

### Expédition

Après les contrôles finaux, le mobilier est prêt pour l'expédition : un emballage et une logistique soignés assurent une livraison parfaite, prête à être installée dans le salon ou le centre esthétique.
