## IL VALORE DEL MADE IN ITALY / THE VALUE OF ITALIAN CRAFTSMANSHIP

Ogni prodotto Salon Ambiente nasce da un processo artigianale italiano, fatto di competenze, cura e passione, che trasforma l'idea in arredo professionale duraturo.

*Every Salon Ambiente product is crafted through an Italian artisanal process, combining skill, care, and passion to turn ideas into long-lasting professional furniture.*

### Disegno del prototipo / Prototype design

Ogni arredo nasce da un progetto mirato, in cui design, funzionalità ed ergonomia si integrano. In questo modo offriamo soluzioni pensate per le esigenze concrete di parrucchieri ed estetisti, senza rinunciare allo stile.

*Each piece of furniture is based on a clear design vision, combining aesthetics, functionality, and ergonomics. This way we can deliver stylish solutions tailored to the real needs of hairdressers and beauty professionals.*

### Falegnameria / Carpentry

Qui il progetto prende forma: in falegnameria nasce la struttura portante, realizzata con precisione per garantire solidità, stabilità e durata nel tempo, cuore di ogni arredo.

*Here the project takes shape: in the carpentry department, the supporting structure is carefully crafted to ensure strength, stability, and long-lasting durability—the core of every piece of furniture.*

### Tappezzeria / Upholstery

Comfort, materiali e dettagli si fondono: imbottiture e rivestimenti definiscono carattere e stile, mentre tessuti selezionati e finiture curate garantiscono eleganza e comfort. Il tutto realizzato a mano dai nostri artigiani.

*Comfort, materials, and details come together: padding and upholstery define character and style, while selected fabrics and refined finishes ensure elegance and comfort. All this completely handmade by our artisans.*

### Montaggio / Assembly

Ogni elemento è assemblato con cura: una fase essenziale in cui competenza e controllo assicurano arredi conformi agli standard di Salon Ambiente Group, pronti per l'uso professionale quotidiano.

*Each component is carefully assembled: a crucial phase where expertise and quality control ensure furniture which meets the standards of Salon Ambiente Group and is ready for everyday professional use.*

### Spedizione / Shipping

Dopo i controlli finali, l'arredo è pronto per la spedizione: imballaggio e logistica accurati garantiscono una consegna perfetta, pronta per il salone o il centro estetico.

*After final checks, the furniture is ready for shipment: careful packaging and logistics ensure perfect delivery, ready for the salon or beauty center.*
